1 intended to be a separate complaint and was totally ignored by the Riverside County Sheriffs
2 Department and the Riverside County District Attorney's Office.

3 7. Attached hereto as Exhibit H is a copy of an Investigation Report from the
4 Riverside County District Attorney's Office advising that the evidence provided to the Riverside
5 County Sheriff's Department on January 13, 2009 and January 29, 2009, and reflected in the
6 report attached hereto as Exhibit G, had been destroyed as of July 1, 2009.

7
8 8. Attached hereto as Exhibit I is a copy of a letter I wrote the Riverside District
9 Attorney's Office on August 1, 2009 providing fresh copies of some of the previously destroyed
10 evidence herein.

11
12 9. Attached hereto as Exhibit J is a copy of a Church of Scientology Suppressive
13 Person Declare issued in 2004 regarding a person who had left Scientology in 2001 and was to
14 be handled "as covered in HCO PL 7 March 1965RB, Suppressive Acts, Suppression of
15 Scientology and Scientologists. The Scientology "shore story" to the contrary is an example of
16 what Scientology defines as an "Acceptable Truth" or "a statement tailored for the needs of a
17 particular audience" and what many people outside of Scientology would call a lie or half-truth.
18 The copy of this Suppressive Person Declare has been redacted to protect the recipient from
19 further Scientology intimidation, extortion and harassment.

20
21 10. Attached hereto as Exhibit K is a copy of a letter from the Defendants Surveyor
22 herein showing that the public easement in connection with Highway 78 is 100 feet and not 60
23 feet as falsely reported to the Riverside County Sheriff's and District Attorney's offices by
24 Church of Scientology representatives.

25
26 11. Attached hereto as Exhibit L is a photo copy of two letters I sent to the
27 Scientology "Gold Base" or "INT Base" at Gilman Hot Springs on August 28, 2009. They
28

1 contained copies of Defendant's Notice to Owner of Disputed Property of Court's Inspection
2 Orders, Minutes of August 28, 2009 hearing, Defendant's Exhibit D [the shaded map] to his
3 motion for an inspection order herein. Captain Miscavige does have one of his residences at this
4 address as contended in he following Exhibit M.

5
6 **12.** Attached hereto as Exhibit M is a portion of a declaration that has been submitted to
7 federal authorities and that is now being revised for further and updated submission to federal
8 and state authorities. It describes much of what can be testified to by Marc Headley and other
9 former Scientologists who have escaped or otherwise departed the Scientology compound at
10 Gilman Hot Springs. Much of this violence and tyranny has been conducted by David Miscavige.
11 As indicated in paragraph 58 of Exhibit B, available witnesses contend that: "There is an Eagle
12 on every "Watch" at "Gold Base." Eagle takes the 30-minute or so climb up the San Jacinto
13 Mountain to Eagle's Nest which is a small gun bunker set into the mountain with an "eagle eye
14 view" over the entire "Gold Base." Eagle has a high-powered snipers weapon. One Eagle had
15 been so brutalized by David Miscavige's brutal physical violence against some of the staff that
16 he kept the cross-hairs of his sniper's rifle trained on David Miscavige's head every where he
17 walked on the Base. When this was discovered during a Security or Sec check, the Base Security
18 Guard was quickly Off-Post and Off-Base. Ever since then David Miscavige has spent a lot less
19 time on the base and lot more time traveling and vacationing with his best friend Tom Cruise.
20 However, Gold Base remains David Miscavige's address for voter registration purposes. He also
21 has residences in at two locations in Hollywood and in Clearwater, FL. Apparently at each of his
22 residences he has a million dollar plus media and sound system. He frequently travels in an
23 armored vehicle."

MURRIETA, CALIFORNIA, FRIDAY, AUGUST 20, 2009

DEPARTMENT S-104

HON. JOHN W. VINEYARD, COMMISSIONER

THE COURT: Calling the matter of Francois Choquette.

MR. BERRY: Good morning, your Honor. Graham Berry appearing for the defendant and movement.

THE COURT: Good morning.

MR. BERRY: Good morning.

THE COURT: I have a motion on calendar this morning for a request that the Court order a transcript of the proceedings of December 3rd, 2008. Excuse me.

I have read the motion. I've read all the attachments. Is there anything you'd like to add that is not covered in the motion in the written papers?

MR. BERRY: Nothing that's not in the written papers, your Honor.

THE COURT: All right. The -- the Court is going to rule as follows:

The audio recording in this department is an unofficial record of the proceedings. It's an unofficial record of the proceedings for the internal administration of the court. It is not an official record of the proceedings in compliance with the applicable statute, rules of court, and local rules of this court, including, but not necessarily limited to, Code of Civil Procedure section 273, California Rule of Court 2.952 and 2.954 and local rule 1.0073.

The unofficial record is not admissible as evidence for any purpose, and on that basis the Court is exercising its discretion to deny the motion.

1 MR. BERRY: Your Honor, I would ask that the Court
2 reconsider its decision and order a copy of the record be made
3 for -- made available for unofficial purposes.

4 THE COURT: The record in this courtroom, it is an
5 audio recording. It is not certified. It's not subject to
6 certification. It is done solely for internal administration
7 by the court. Yet, I am exercising my discretion to deny the
8 motion.

9 MR. BERRY: One further point, your Honor:

10 The public does have a right to transcripts, and this
11 is an audio recording which exists and provides the best
12 evidence of what was said on that occasion.

13 THE COURT: The public -- based on statutes that I
14 have cited, the public is entitled to the official record of
15 the court. The official record of this court is the minutes of
16 the clerk. The audio recording is not the official record. It
17 does not comply with any of the statutes or local rules or
18 rules of court to certify it as an official record. That is
19 the basis for the ruling.

20 MR. BERRY: Well, then, the Court has made a ruling
21 incarcerating this -- with the effect of incarcerating this
22 gentleman on the basis of an order which doesn't -- an order
23 which doesn't exist on the file, anyway. This Court made an
24 order which resulted in this man spending a night in jail.

25 THE COURT: I'm aware of the issues. The issue that
26 is before me today is whether I will release a transcript of
27 the audio recording. That is the only issue properly before me
28 today, and that's the only issue that I'm ruling on today.

1 MR. BERRY: Would the Court entertain favorable --
2 would the Court be willing to consider a motion for a full
3 evidentiary hearing on this entire matter?

4 THE COURT: You're welcome to file whatever motion you
5 feel is appropriate, but there's -- that motion has not been
6 filed and is not before me today. I'm not going to give you
7 instruction on what motions to file. If you think that's
8 appropriate, you have the right to do that. And, as you've
9 seen from the reporter's presence today, when there is a
10 hearing and when there is a request made, and it's appropriate,
11 a reporter is available to make an official record of the
12 proceedings in the court. Absent that request and absent the
13 presence of a certified court reporter, the official record of
14 this court is the minutes provided by the clerk.

15 MR. BERRY: As the Court pleases.

16 THE COURT: All right. Thank you.

Re: **Francois Georges Choquette, Case No. SWM080760**

Ladies and Gentlemen:

Further to my letter mailed January 23, 2009 and mistakenly dated September 23, 2009, I enclose an additional Internet publication regarding Danny Dunagin who led the sudden vicious and unlawful attack upon Mr. Choquette. It can be found at: http://www.encyclopediadramatica.com/Danny_Dunagin.

Although the article about Danny Dunagin contains some earthy language it nonetheless describes a very pathologically violent person who has caused pain, suffering and continued forcible confinement to many victims. You will also read of a similar 1990s incident to the one herein. Apparently it resulted in a civil lawsuit and substantial settlement. Accordingly, my client is amending his Informal Discovery Request faxed and mailed January 27, 2009. Specifically, Requests numbered 10, 11, 14, 15, 16, 18, 19, 20 and 21 are hereby amended by

000011

substituting the words January 1, 1990 for the words October 26, 2006 wherever the words October 26, 2006 occur.

In light of this new information of similar serious acts of unlawful violence involving Danny Dunagin stretching back at least 18 years, coupled with the other prior serious criminal conduct identified in my client's discovery responses, it is difficult to conceive of any objectively reasonable explanation for the Riverside County Sheriff's Department and District Attorney's Office continued failure to unilaterally dismiss the two charges against Mr. Choquette and to immediately arrest Mr. Dunagin as previously requested on October 26, 2008 and repeatedly requested since then. The video evidence and statements are unequivocal. Indeed, in the interests of equal treatment under law, Mr. Dunagin and his accomplices should be taken to Murrieta, held and processed in the same manner and over the same time period as was Mr. Choquette.

I remind you that Mr. Dunagin and his accomplices' unlawful private citizen's arrest and consequent unlawful imprisonment of Mr. Choquette, and the subsequent transportation and incarceration of Mr. Choquette by the County Sheriffs during the booking and bail process, caused and/or aggravated the permanent physical injuries suffered by Mr. Dunagin. My client is expected to request the filing of a Government Code Notice of Claim.

My client and I will appear at his scheduled arraignment at 8-30 A.M. tomorrow. If, for some reason, I am delayed by traffic I would appreciate this matter being put over to second or later call. My cell phone number is (310) 902-6381.

Please do not hesitate to telephone me if you wish to discuss these matters and materials any further.

Summary:

On 1-5-09, I was assigned to complete a supplemental report to file # D08300041, a past 242 PC. On 1-13-09 @ 1300 hrs. I met with Francois Choquette and his lawyer, Graham Berry at the Hemet Station. Choquette requested to speak to me reference a past 242 PC, in which he was listed as a suspect; however, he felt he was the victim.

Choquette said he was legally protesting against the Church of Scientology. Choquette said on 10-26-08, he and several friends were picketing in front of the church when he was assaulted by three of their security guards for trespassing. Choquette said the guards said he was trespassing; however, he does not feel he was trespassing because the area where he was assaulted for trespassing was not posted until after he was assaulted.

Choquette said he is concerned because ever since he started protesting at the Church of Scientology, he has been followed. Choquette said on the above mentioned date he and several other protestors were walking on the side of Soboba Rd. protesting. Choquette said a Honda vehicle pulled up next to their parked vehicles and started tampering with them. Choquette said he started walking towards the Honda to tell the occupants to leave their vehicles alone; Choquette said the Honda immediately started backing up so Choquette could not see or speak to them. Choquette said he turned back around and started walking back towards the picketing area, at which time the Honda pulled right up behind him, scaring him, and causing him to jump off of the trail onto a dirt area. Choquette said as soon as he was forced off of the trail, the Honda and a small truck, occupied by three male adults, pulled up to him and started yelling at him that he was trespassing. Choquette said the area was not posted, and it was very close to the original trail that he was on. Choquette said he would not have been in the area if he was not forced off of the trail by the security guards.

Choquette said the three security guards; David Dunagin, Mathew Butler, and Kenneth Seybold, jumped out of their vehicles and tackled him to the ground. Choquette said all three of the guards were on top of him tying his hands and feet. Choquette said he told the guards several times that he could not breathe; however, they would not let up. Choquette said he kept yelling at the guards to get off of him, at which time Kevin Seybold shoved his face into the dirt. Choquette said at this time Danny Dunagin had his hand around his face; Choquette said he panicked because he could not breathe, so he bit Dunagin's hand in attempts to get loose. Choquette said he would not have bitten Dunagin if he was not in pain and panicked.

Choquette said when the Sheriff's Department arrived; the security guards requested that Choquette be arrested for biting Dunagin. Choquette felt that he was not able to tell his side of the story and the security guards did not give the deputies an accurate account of the incident.

Choquette said he and several of his friends responded to the Hemet sheriff's station, Hemet police station and CHP in attempts to tell his side of the story and request that charges be filed on the security guards for assaulting him; Choquette said he was denied the right to file charges at all of the above listed stations.

Choquette submitted typed statements from three witnesses to his assault, as well as a video that shows his assault. (See attached evidence)

Due to Choquette's statements, and the video, this case will be forwarded to the District Attorney's office for prosecution of David Dunagin, Mathew Butler and Kenneth Seybold.

Dear George,

I have reviewed the drawings that you provided which you obtained from the County Of Riverside. In particular, I am referring to the Rough Grading Plans produced by Albert A. Webb Associates. These plans were produced for the new Cinema Building as a part CUP #2943. As you mentioned previously, these plans do show the right-of-way of Gilman Hot Springs Road being 100 feet wide with a half width of 50 feet.

The location that you indicated to me where you were attacked is about 45 feet from the centerline of Gilman Hot Springs Road and is with-in the right-of way as shown on said Rough Grading Plan.

Recently, some stakes have been placed along that section of road and in my opinion, more work needs to be done to check their accuracy.

Sincerely,

DECLARATION OF GRAHAM E. BERRY

I, **GRAHAM E. BERRY**, declare and state as follows:

1. I am an attorney at law duly licensed to practice before all the courts of the State of California (1986). I am also admitted to practice law before various Federal Courts, the courts of the State of New York (1981), the State of New South Wales in the Commonwealth of Australia (1979), and the Dominion of New Zealand (1973). I have personal knowledge of the facts set forth herein, except those that are based upon information and belief, and if called as a witness, I could and would testify competently thereto.

INTRODUCTION

2. This Declaration is part of a number of declarations/affidavits, other supporting documents and letter requests, each and all of them intended to be “privileged publications or broadcasts” within the meaning of California Code of Civil Procedure, section 47(b).
3. This Declaration, and the related documents and materials, has been prepared in connection with a series of requests for investigation, prosecution and/or revocation of tax exempt status of the conglomerate of over 166 corporate entities collectively known as the churches and corporations of the Church of Scientology (the “Scientology Enterprise”). <http://en.wikipedia.org/wiki/Scientology> Included are an Appendix of other Complaints, Exhibits and a DVD with both photographs and a copy of this document for ease in using the many Internet hyperlinks inserted below.
4. I recognize that not all of the portions of this comprehensive declaration will be pertinent to the more specific matters that some of the recipients of this document will be requested to address. In that regard, the relevant letters requesting, among other things, investigation and prosecution (or revocation of tax-exempt status) of certain entities and individuals will also identify the specific relevant paragraphs. At the investigating office’s request, it will be provided with the documents, witnesses and other that relate to the specific matters herein.
5. The reason I am also including what might ordinarily be considered superfluous information is that the matters herein may seem too incredible to contemplate as having

actually occurred outside the pages of a John Grisham type novel. For example, Google “Scientology and breathtaking”; See *United States v. Heldt, Snider, Hubbard, et. al.* 668 F. 2d 1238 (1981); Google *United States v. Heldt* (see Wikisource)]. In addition, the additional information exemplifies, includes and incorporates a pattern and practice of similar acts and facts, involving the same and similar actors and enterprise, going back over 25 years of continuing criminal and civil R.I.C.O conduct by an organized and tax-exempt terror group headquartered in California. Accordingly, such contextual information is provided to support the credibility of the matters set forth herein. Extensive sworn testimony supporting the nature of some of the serious matters addressed herein can also be viewed at <http://www.whyaretheydead.net/krasel/> You will read in paragraphs below that German, Belgium and France are currently considering a ban of the Scientology enterprise in their countries on the ground that the U.S. based Scientology Organization is a foreign headquartered totalitarian political “psycho-terror” group that is a threat to the democratic state (and seeking to impose its view and vision upon the world). Hubbard’s writings and scriptures themselves reveal that life, quarantine and extermination under a global Scientology government and control of all society would be more authoritarian and repressive than any previous regime in recorded history. The Church of Scientology International and its notorious Office of Special Affairs (O.S.A.) is headquartered in California (at 6331 Hollywood Boulevard, Los Angeles, CA) and Gilman Hot Springs (near Hemet, CA). The Europeans, and other regional blocks, are mystified and dismayed that the U.S. government not only ignores the Scientology enterprise but actually supports and promotes Scientology despite the war on terror. In essence they say, “How can the United States expect the world to fully support their ‘war on global terror’ when it ignores and protects vicious Church of Scientology religious terror and tyranny, and uses its Department of State to pressure foreign governments to extend similar safe havens to what many governments consider a global totalitarian political and criminal terror group intent upon global political power? As the late Robert Vaughn Young wrote, “Abuse is abuse. Terror is terror. It differs by degrees and it rips away individuality and creativity and future for the individual.” Mr. Young was a top Scientologist until he escaped from the Church and its Rehabilitation Project Force (R.P.F.) in 1989, a victim of David Miscavige’s purges and punishments after L.

Ron Hubbard died, or was murdered, in January 1986. Others suggest Hubbard committed suicide. At the very least it appears that Hubbard was negligently allowed to die for tax purposes. David Miscavige is Scientology's brutal and lawless totalitarian ruler. Under his leadership many Scientologists have simply disappeared after becoming problems for the enterprise. Many others have died under mysterious (and sometimes similar) circumstances. <http://tinyurl.com/67dm3p>

7. I am providing *pro bono* legal services to the large group of individuals who have participated in the peaceful First Amendment activities of the worldwide group of individuals calling themselves "Anonymous." On February 10, March 15, April 12, May 10 and again on June 14, 2008, thousands of people in 42 countries and 110 cities responded to the call of Anonymous to protest the civil and human rights abuses of the Church of Scientology, to demand an end to its tax exempt status, and to demand a full, open and transparent investigation into both the well documented and the alleged psycho-terror, criminal, racketeering, money-laundering, public corruption and other anti-social activities of this dangerous paramilitary, totalitarian and subversive political group and enterprise. On the global protest days the number of global protesters has totaled between 4,000 and 10,000.

8. These monthly global protests, supplemented by daily local pickets of Scientology locations around the world, are now part of the human and civil rights landscape until the Church of Scientology ceases its human and civil rights abuses and makes proper amends to all those its intentional and negligent abuses have damaged or destroyed. See: <http://www.xenu.net/archive/media/young-quill.html> (How Scientology manages the media). For example, the Church of Scientology has a "International Finance Dictator," "International Finance Police," "International Justice Chief," "Committees of Evidence," and gulags called the "Rehabilitation Project Force" (the "RPF") and the "Rehabilitation Project Force's Rehabilitation Project Force" (the "RPF's RPF"), truly Orwellian nightmare. <http://www.tr-l.org/mott0001.htm> and <http://www.tr-l.org/>

10. Although the Church of Scientology claims to be the world's fastest growing religion with a worldwide membership of over ten million members like the Mormon Church, in reality former high level Scientologists agree that at any one time there are no more than 150,000 active Scientologists and that it is the world's fastest shrinking religion. Indeed, the global number of currently active Scientologists (including staff members) may be as few as 50,000. All active Scientologists are required to be members of the International Association of Scientologists (I.A.S.). Others who have quietly left Scientology remain members in order to avoid receiving a "suppressive person declare" and becoming subject to Scientology terrorism called the Handling of Suppressive Persons. <http://www.youtube.com/watch?v=WCdoAB0JrQ0>

11. It is important to note that even within Scientology there has been a battle waging for decades. Corporate Scientology has been using its religious trade secrets and copyright litigation blitzkriegs to try and squash the "Free Zone." Free Zoners study Scientology and engage in auditing for little or low expense. However, Corporate Scientology calls the Free Zoners "Squirrels," and the hallmarks of the Scientology campaign to "stamp out the squirrels" resembles the Roman Catholic Church's campaign to stamp out Martin Luther's Reformation that made the Holy Bible widely and freely available in many languages, not just Latin. SCIENTOLOGY’S VARIOUS CRIMES & ABUSES MUST BE INVESTIGATED.

IT’S WORSE THAN YOU CAN EVEN IMAGINE.

13. For present purposes it can be said that in 1950 L. Ron Hubbard, Jr. published a book called “Dianetics, The Modern Science of Mental Health.” Hubbard then established various Dianetics Centers. Subsequently Hubbard became embroiled in litigation, his Dianetics Centers declared bankruptcy and he incorporated the first Church of Scientology in 1953. However, it was not until the early 1970s that the Church of Scientology began to cloak itself with religiosity for legal and tax purposes. See, Time line of Scientology’s War against the I.R.S., <http://tinyurl.com/5jpv3> ; and *Hernandez v. 14. A recent video explains the secret IRS deal that favors the Church of Scientology over all other religions in the United States and fulfilling an international definition that constitutes the Church of Scientology as the effective state religion of the U.S.A., just as the Anglicans, Roman Catholics and Greek Orthodox religions are state religions because of their special treatment within their home nations. It is supplemented by a May 2008 affidavit of the former Scientologist who supervised the Scientology enterprises’s most recent major deceptive corporate re-organization. See: <http://tinyurl.com/5dznzv> and <http://tinyurl.com/62n2lm> and <http://tinyurl.com/5ovk5n> and <http://tinyurl.com/6avgyc> You can read part of the “secret” tax agreement here: <http://www.xenu.net/archive/IRS/>

15. The Scientology enterprise has also gained a reputation as being a prolific litigant. As you will note from the immediately preceding URLs, it filed over 2, 500 law suits against the IRS alone and, according to one scientology historian, once had so many defamation law suits pending in the United Kingdom that it could not count them Lists of some of the countless Scientology related law suits can be found at the following Internet website: <http://www.cs.cmu.edu/~dst/Cowen/essays/irslegal.html> ; http://www.whyaretheydead.net/krasel/ottman_html/10.htm; <http://www.xenu.net/archive/CourtFiles/index.html> and <http://tinyurl.com/5vs2qg> and <http://www.factnet.org/Scientology/scikent.htm> Also see the summary of Scientology court cases at <http://tinyurl.com/5npv9f> .

16. In 1977 the Federal Bureau of Investigation launched its largest raids ever as of that time. The simultaneous F.B.I. raids in Washington, D.C. and Los Angeles, CA revealed the largest ever-known criminal infiltration of the United States government. It was prompted by a former Scientology covert agent turning himself into the F.B.I. and disclosing the Scientology enterprise's Operation Snow White. See <http://tinyurl.com/5bt6xp> . As a result of Operation Snow White eleven senior Scientologists went to prison including L. Ron Hubbard's own wife to whom he was bigamously married for a time after being convicted of check fraud in San Luis Obispo, CA. See the fascinating stipulation of evidence and other related documents online at <http://www.xenu.net/archive/go/legal/legal.htm> . Of particular note, in this regard, is the Declaration of Robert Vaughn Young <http://www.xenu.net/archive/go/legal/rvy.htm> . This declaration also details the death of the mother in law of David Miscavige who now rules the Scientology enterprise:

Another mysterious but key death was that of Flo Barnett, Miscavige's mother-in-law. She died in 1985 of three shots to the chest and one to the temple from a semi-automatic rifle. Two suicide notes were found. Although she was only 5'3" tall (and weighed only 114 pounds), the examiner determined she shot herself three times in the chest (with a rifle) before shooting herself through the head. (See coroner's report attached as Exhibit V.) What the authorities didn't know was that she had left Scientology and was associating with apostates, to the anger of her son-in-law Miscavige."

17. Following the 1977 F.B.I. raids subsequent similar prosecutions occurred in Canada <http://tinyurl.com/6omsj9> and continue to take place. For example, in Spain, France, Greece <http://tinyurl.com/6clwu7> and <http://tinyurl.com/5jl24p>, Russia <http://tinyurl.com/5b2s9l> and <http://tinyurl.com/6ecwhr> , and Belgium <http://tinyurl.com/6culpe> and <http://tinyurl.com/6ryqzz> The German State of Hamburg exemplifies the approach taken to the Scientology enterprise throughout Germany and much of Western Europe. <http://tinyurl.com/59ge3t>

18. Shortly after the 1977 F.B.I. raids Hubbard went into deep hiding from the U.S. government and dozens of civil litigants. He was not seen in public again. <http://tinyurl.com/5nvp4k>

19. At the time of L. Ron Hubbard's death in mid January 1986, there was no designated successor or succession process to select his replacement, to the extent that anyone could ever replace L. Ron Hubbard as Scientology's "Source;" that jovial carnival con man and big-story teller that you laugh along with while he dips deeper and deeper into your wallet! Pat and Annie Broeker had been his household staff for the last six years of Hubbard's life, which was spent hiding from the law and legal process. David Miscavige had been the Commodore's Messenger who secretly shuttled the millions in cash and church dispatches between the Church and Hubbard in the depth of the night. At Gold Base, near Hemet, CA David Miscavige would load up a vehicle with reports and money (usually millions of dollars) and drive off into the night. Up at the ranch in Creston, near San Luis Obispo, CA Pat Broeker would load his vehicles with dispatches from Hubbard. He would never be identified as having seen the documents because the Church was insisting to the government and courts that Hubbard had no management role at all within the church. In reality Hubbard remained in full control through Broeker and Miscavige. They would meet half way, make the exchanges, and return to their posts before morning. Hubbard's orders would not be signed. However, according to some, the asterisk symbol indicated to those at the "Gold Base" that the communication had come from Hubbard. It seems clear that David Miscavige was personally involved in massive white collar crime and fraud long before he seized control of the Church of Scientology during 1986. Indeed, it appears that David Miscavige began preparing to seize sole dictatorial power over the Scientology enterprise and its cash

when he began reorganizing the corporate structure of the Church as described by former scientologist Larry Brennan in a recent affidavit. <http://tinyurl.com/6ezqcx> Also see Miscavige's own declaration filed in one of my cases. <http://tinyurl.com/5fn47m> After Hubbard's death in mid January 1986, and shortly after two car loads of top Scientology staffers and lawyers arrived at the Creston ranch, Pat Broeker produced a handwritten paper designating Loyal Officers Pat and Annie Broeker as Hubbard's successors. David Miscavige was furious. Apparently he reminded Pat Broeker that he had been personally carrying millions of Hubbard's cash across State borders. "You either take \$15 million dollars now and are never heard of again, or I will turn you over to the F.B.I," David Miscavige is reported as saying. Pat Broeker has been in hiding ever since although he was recently located by interested persons. One of those present at the time remembered part of all this as follows. <http://tinyurl.com/58azhz>

21. In addition to over \$70 million in cash at the ranch and in the tunnels, it appears that at least another \$200 million was transferred from Church of Scientology enterprise bank accounts to Hubbard's own personal accounts. Indeed, David Miscavige had been earlier quoted as saying, "The only thing that will save us [from the I.R.S] now is if the old man [Hubbard] dies." About two weeks afterwards Hubbard lay dead in despicable, suspicious and humiliating circumstances. David Miscavige and several of his top henchmen became personally very wealthy after that. Indeed, David Miscavige owns a large stable of very expensive luxury automobiles. These were not acquired, and are not operated, on the Sea Org officer's weekly income of \$46.20! Years later the Church would be suing pharmacy giant Eli Lilly. Just before the settlement of the case was announced, one of David Miscaviges accomplices in the money heist made another small fortune by buying a lot of Eli Lilly stock and riding the rise that followed the Church's announcement that Scientology was ending it litigation against Eli Lilly.

22. A few months after Hubbard's death in January 1986, David Miscavige and his top Scientology executives met in a room with Ron's widow, Mary Sue. For many hours, David Miscavige and this gang threatened, berated and intimidated Hubbard's widow (and later other members of Hubbard's family) into signing over their community property and testamentary interests to Scientology, in accordance with the will made the night before he died and nine days after he had been incapacitated by a stroke and

administered the psychiatric drug Vistaril. Or as David Miscavige, had prevented Hubbard's wife from seeing him before he died. The late Mary Sue had gone to prison for Hubbard. After Hubbard died, his widow Mary Sue spent the next 16 years living under the supervision and watchful eye of Scientologist staff reporting back to Miscavige. <http://home.earthlink.net/~snefru/deathoflrh/> and <http://www.xenu.net/archive/hubbardcoroner/> and <http://scientology-facts.blogspot.com/2005/11/mary-sue-hubbard-dead-at-71.html> and <http://www.factnet.org/probate.htm>

THE HEAD OF THE CHURCH OF SCIENTOLOGY IS VIOLENT

23. Hollywood actor Tom Cruise is said to be the second most important Scientologist in the world. He and David Miscavige, the head of the Church of Scientology, are "best friends." Every year Tom Cruise pays many millions of tax-exempt dollars over to various of the corporations collectively constituting corporate Scientology. David Miscavige personally controls and directs all of the 166 plus corporations of the Church of Scientology despite his public denials. He does so not only through the interlocking directors, officers, legal counsel and other *alter ego* indicia, but also through the para-military Sea Organization which has officers and tentacles in most Church units. This is similar to how the old Soviet Union had a political officer on every naval ship and in every military and civilian installation.

24. See 'Updated: The Leader of Scientology (Tom Cruise's best friend,) physically beating his staff! Hear Senior Staff members tell about the beatings.

25. One former Scientology employee has publicly described some of this terrible tax-exempt violence that is funded by Scientologists such as Tom Cruise, John Travolta and Fox New's Gloria Van Susteren. On April 25, 2008 former Scientology "Gold Base" employee Marc Headley said during an interview that he had personally seen David Miscavige physically strike fellow parishioners and employees on at least thirty different occasions.

“In late 2004 I was walking through the main factory facility with David Miscavige and I made a smart-alec response to one of his questions. Apparently he’d not had a good day already and my comment was not well received and proceeded to unload on me. He punched me in the face at least ten times and my glasses fell off. I was thrown up against a desk unit, a counter top, and that was the moment right then when I realized I could go no further down than this, to be beaten by the leader of my so-called church. What else could I do that could get me in a lower status than that? And I decided that I would strike back. As soon as he saw that in my eyes, I was grabbed and escorted out of the building and made to take a walk for about an hour or so. ... While I was escorted out of the room I heard him say to his staffers, “He was going to hit me back.” ... A lot of people don’t believe the stuff they read on the Internet, that David Miscavige has done. When I got out of the Sea Org I couldn’t believe the amount of stuff that was on the Internet that was absolutely 100% accurate, of the goings on at the international headquarters or Int Base. So yeah, there’s a lot of stuff on the Internet and it’s absolutely true, pretty much I’d say 99% of it is very accurate.”

26. There are over a dozen other former Church of Scientology staffers who are willing to testify to witnessing the numerous assaults and batteries which the head of the Church of Scientology apparently believes that he has immunity to commit as the totalitarian leader of a tax exempt “church” that has the most favored tax and government status of any church in the United States. Even David Miscavige’s own favor is apparently afraid of being battered and beaten by his son. <http://tinyurl.com/5zpoco> . One former Church employee will testify along the following lines. Note: DM refers to David Miscavige:

“The first time I witnessed DM hitting another staff member was in 1995. ... DM had already been meeting with Ray on technical matters when the rest of us were

called to the office. Upon our arrival, I could see that DM was furious at Ray. In a rage, DM took off his name tag and broke it, saying he was going to quit. He kicked a chair into Ray who was sitting at the conference room table and then DM hit Ray on the head with an open hand 3 times. DM then took cash out of his wallet, throwing dollar bills on the table in front of Ray, saying, "Here - take it!" (I guess to give him money for the physical violence, which Ray did not take). DM then proceeded to yell, knocking furniture around in his office saying he's had it. We were all sent off by DM to "go handle Ray", who was eventually assigned to the Rehabilitation Project Force (RPF) by DM, out at the Happy Valley Ranch in Hemet.

- Cathy Rinder and I were working on a submission to DM regarding the church command channels in 1995. As part of this, we submitted a posting proposal to DM. I was in another room when he came to "reject" the submission, which he threw at Cathy, hitting her arm. This left a red welt, which she showed me after DM left the office. She was in grief about this incident.

- When Mike Rinder was the Watchdog Committee member over the Office of Special Affairs (WDC OSA), DM came into the WDC space where we were all sitting, very upset over something. He went to Mike's desk and grabbed Mike around the neck, slapped him across the top of the head, then tipped over his chair, knocking Mike to the ground. This was in 2000.

- Also in 2000, DM called a meeting with WDC and several other Int executives. Jason Bennick was there. I believe he was holding Manufacturing Sec at this time. During the meeting (with about 25 witnesses present), DM lunged at Jason, grabbed him around his neck and pulled him to the ground.

- DM held a meeting in the WDC space with marketing staff. Jeff Hawkins was sitting about 5 feet from my desk at the conference room table, opposite to DM. During the meeting, DM jumped up onto and across the table and landed on Jeff, knocking his chair backwards and landing on top of him. DM started shaking Jeff and wrestling with him on the ground, tearing buttons off his shirt. I collected up all of the shirt buttons and the change that fell out of Jeff's pockets during this episode and returned it to Jeff, who appeared highly shaken up by the incident. This was mid-2002.

(Note: Jeff has relayed to me 3 other instances where DM physically attacked him, but I was not present for these.)

- I observed Mark Ingber and Guillaume Leserve get slapped in the back of the head by DM while sitting at the WDC conference room table. It appeared to be because DM didn't get the answer he was looking for. This was during one of our numerous meetings regarding command channels.

- Marc Yager was attacked in the WDC conference room. DM ran across the room at him and shoved him into a tall audio-visual/speaker system and shelving unit. Marc fell to the ground as DM kept coming at him, grabbing and shoving him in a violent manner. DM's wife (Shelly) said "Dave!" in an attempt to get him to stop but DM kept attacking him until Marc was lying on the ground, looking up, covering his head with a terrified look on his face like "please stop hitting me". DM ordered him to get up.

- Once in early 2003, Marc came back to his office with cuts all over his face and the top of his head (he is partially bald, so the cuts were easy to see). I asked Marc what happened and he said he "fell into some bushes." His Communicator (Eddy Quillin) told me that she was there and what actually happened was that DM threw Marc into the bushes, which gave him a bunch of cuts/scrapes.

- Another time Marc came into the dining hall with crutches and a cast on his foot. I asked him what happened and Marc told me that he broke his ankle "falling" over the tall drop-off by the Cine castle side entrance onto concrete. Another person who witnessed what actually occurred told me that one of the girls from the Cine Division (Sadie Johannesson, I believe) was ordered by DM to run Yaeger down in her car to which she complied by driving after Marc, and to get out of the way of being hit, he jumped over the drop-off and broke his ankle on landing. This was end June 2003.

- Also in June 2003, Wendell Reynolds (then International Reserves Director) arrived to the Purification center with a bandage on his arm. While sitting in the sauna together, Wendell described to me how DM came charging into his office in a rage, picked up a large 10-gallon water bottle and hurled it across the room at him. The bottle hit Wendell's arm, causing a gash. (Note: While I was witness to another incident Wendell told me about, it should be reported. He said that in a different meeting in the Cine lodges by the dining hall, DM repeatedly punched Wendell in the stomach about 20 times. He kept his stomach tense so he could "take it", but then DM turned away and Wendell relaxed his stomach, at which point DM spun

around and slugged him again, knocking the wind out of Wendell who wasn't prepared for the punch.

- A few months before in the WDC conference room, DM jumped across

the conference table and knocked Wendell over backwards next to the desk I was sitting at. Wendell lay there on the ground (not knowing if DM was done attacking him) and DM told him to "get up and stop pretending to be hurt." There were at least 10 other witnesses to this incident. ... While not observed personally, I have been informed of different physical attacks by DM on staff member at the INT Base, which should be made known for potential follow-up:

- Marc Headley told me that DM physically attacked him, throwing him back against a wall, knocking his glasses off his face and repeatedly punched him. This was in 2005 while Marc was posted as Producer Gold.

- Tom DeVocht told me that DM attacked him 3 times. The last time was in the New York church when DM arrived to inspect the status of renovations, which he was not satisfied with. He hit Tom so hard in the chest that Tom thought one of his lungs had collapsed. Tom has also witnessed many instances of physical abuse up until the time he left in 2005.

- Mark Fisher relayed his story of DM knocking him to the ground and repeatedly punching him to the point where his head was bleeding. This was in 1990. There were apparently several witnesses to this act, including Andre Tabayoyan, Mark Ingber and Marty Rathbun.

- Bruce Hines recently described an incident of being hit by DM on a radio show ... I have additionally been in contact with other people who have witnessed DM's physical abuse of staff. This includes Gabrielle Llewellyn who saw both Guillaume Leserve (once) and Ray Mithoff (twice) get hit by DM at meetings. Larry Brennan has reported witnessing physical abuse by DM. John Peeler reported he has also witnessed beatings. ... There are others who are not willing to come forward at this time for various reasons, including potential repercussions by the church for speaking out. ...

It is my view that while David Miscavige is guilty on numerous counts of physical abuse, he has worse crimes in the form of mentally tormenting staff members in ways that have demoralized and crushed people into submission so they are so afraid to speak out against him, which can be similarly documented by several witnesses and victims of such. Having spent __ decades at the INT Base, I witnessed and experienced much of this myself. And I am willing to

testify in this regard as well should it be needed. The above is true to the best of my knowledge.”

By themselves, these violent and vicious assaults and batteries by David Miscavige, the Pope of Scientology, may be misdemeanors when taken individually but they can each elevate to felonies in other ways. For example, each individual assault charge could be accompanied by a felony charge under Chapter 6 of the California Penal Code for influencing, intimidating or threatening witnesses through the threat of being declared a “Suppressive Person,” subjected to “Disconnection,” terrorized by the “Fair Game” policies for the “Handling of Suppressive Persons” and then denied their “Bridge” and “Eternity” as a Scientologist. See generally, the affidavits of a former deputy Scientology leader, Jesse Prince. <http://tinyurl.com/5aq6d> and <http://tinyurl.com/583wee>

27. Some of these same former members who worked closely under David Miscavige for many years will also testify to a wide range of other abuses, crimes, tax status violations and corporate violations including how David Miscavige personally oversaw and gave the orders on what was done to and with the late Lisa McPherson (see <http://www.lisamcpherson.org/>). They can also testify to personal knowledge as to how the Scientology enterprise’s files were (and still are) “vetted” to remove and shred any evidence of his “orders” cross corporate lines and that violate the tax status and corporate integrity of the over 166 supposedly independent corporations and churches of the Scientology enterprise that Miscavige micromanages from Gilman Hot Springs, CA. See also, <http://tinyurl.com/58qnrj>. Although documents and witnesses exist to prove that David Miscavige constantly cross corporate lines and that he actually runs the churches and corporations of the Scientology enterprise as his own alter ego, the church tries to conceal this evidence. See *The Everyday Bypass by DM of Orgs in Power*, <http://tinyurl.com/6bpyp8> In essence, David Miscavige controls and rules the tax - exempt Church of Scientology like a medieval despot. He has a personal executive staff of over twenty people. Someone follows him most everywhere capturing every utterance and catering to his every whim. David Miscavige is reported to have told his most senior subordinate officers that public Scientologist Tom Cruise is a far better scientologist than any of them.

In addition, David Miscavige has “busted” (or demoted) almost every member of the entire senior management strata of the church down on to “the decks,” on to the R.P.F., on to the R.P.F.’s R.P.F. [and that is clearly unlawful imprisonment], or in to “the SP Hall” or “the Hole” at Scientology’s “Gold Base” at Gilman Hot Springs near Hemet, C.A. See: <http://tinyurl.com/55gay7> ; The RPFs RPF <http://tinyurl.com/62taxt> ; Security Checks and children <http://tinyurl.com/68jtth> ; The RPF and children, <http://tinyurl.com/5weh35> ; Brainwashing in Scientology’s RPF, <http://tinyurl.com/29n8f> and, The RPF as unlawful imprisonment, <http://tinyurl.com/5gfg2m>

1. As part of David Miscavige’s wholesale disregard of the terms and conditions of the 1993 Secret Tax Settlement Agreement between the 166 Scientology corporations and the United States Internal Revenue Service (the “I.R.S.”), he has removed almost the entire senior executive strata of the Church and ordered them confined (away from them families) in what is known as “the S.P. hall” or “the Hole” at Scientology’s “Gold Base” near Gilman Hot Springs, CA.

56. There are over 40 former senior executives of the Church living in “the Hole” at Gilman Hot Springs. <http://tinyurl.com/6lrwuo> Some have been confined in “the Hole” or “the SP Hall” since the year 2000 when David Miscavige decided to personally assume all of their jobs (“wear their hats”). Here these former senior scientology executives (many in their 50s and 60s) eat, sleep and work at or under their work tables. David Miscavige holds their “Bridge” and their “Eternity” in his sole hands so they daren’t risk being formally “Declared a Suppressive Person,” or kept on the base indefinitely like some (for example Annie Broeker, a most tragic example <http://tinyurl.com/55u5zd>) or being “off-loaded” like others. In other words, they have been mentally manipulated, or coercively indoctrinated, into complete compliance with the orders and whims of David Miscavige. It resembles the “Stockholm syndrome” and so a few trusted former senior executives serving “lower conditions” have been permitted to leave for a day or two much planned and approved family event and those few have robotically returned (hence the term “Rondroids”). If a Rondroid should start waking up and decide to leave without church permission then it is almost impossible to escape off “Gold Base” itself although there have been some great escapes. For example, see <http://tinyurl.com/5u236u>

57. The Scientology Gold Base is criss-crossed with electronic sensors, listening devices and cameras. At times there have been dangerous attack dogs. In the mid 1990s it was called "armed and dangerous" in the *Church of Scientology v. Fishman and Geertz* case. See <http://tinyurl.com/55837g> There are still weapons there and there have been several dangerous incidents. If you do manage to escape up the hill then there is the Eagle's Nest to contend with. <http://tinyurl.com/6cwc68> and <http://tinyurl.com/ypwdt7>

58. There is an Eagle on every "Watch" at "Gold Base." Eagle takes the 30-minute or so climb up the San Jacinto Mountain to Eagle's Nest which is a small gun bunker set into the mountain with an "eagle eye view" over the entire "Gold Base." Eagle has a high-powered snipers weapon. One Eagle had been so brutalized by David Miscavige's brutal physical violence against some of the staff that he kept the cross-hairs of his sniper's rifle trained on David Miscavige's head every where he walked on the Base. When this was discovered during a Security or Sec check, the Base Security Guard was quickly Off-Post and Off-Base. Ever since then David Miscavige has spent a lot less time on the base and lot more time traveling and vacationing with his best friend Tom Cruise. However, Gold Base remains David Miscavige's address for voter registration purposes. He also has residences in at two locations in Hollywood and in Clearwater, FL. Apparently at each of his residences he has a million dollar plus media and sound system. He frequently travels in an armored vehicle.

59. The Eagle is not allowed to attend to any toilet functions on the mountain behind "Gold Base." He must "hold it in" until the end of the Watch. One particular Eagle did not "hold it in" and did what some young mother's call "a number two." To try and cover up his "overt," [or wrong] he set fire to the piece of toilet paper he had carried up, "just in case." However, he didn't just destroy the evidence of his "dump." "The whole mountainside went up in flames and poor Eagle was on the E-meter/lie detector for weeks while interrogators ("security checkers") tried to locate his "overts" or wrong-doings. Meanwhile, there is an old red fire truck parked on the base and which has to be pushed or towed where-ever it might be needed. Read about E meters at <http://tinyurl.com/dwoon>

60. If a scientologist from Gold Base did manage to escape up the mountain, he or she would have to pass the guarded Hubbard house and the rear guest house that David Miscavige and Tom Cruise both use when they are at the supposedly Scientology base. In

Hubbard's house the LRH Household Unit lay out Hubbard's fresh clothes every morning. After all, Hubbard's return from outer space with his new research is long overdue! Anyway, once the fleeing scientology employee had escaped past the accommodations of David Miscavige and Tom Cruise there would be a continuing climb up and past Eagle's sniper nest. If the escapee avoided Eagle's high-powered telescopic sniper's weapon the escapee would finally go over the top of the San Jacinto Mountains and down the other side to relative safety and freedom. NOT. Most likely he would be confronted by the terrifying security teams of a military style base with tunnels drilled deep into the San Jacinto Mountainside. Apparently, when Lockheed-Martin tunneled this secret U.S. military facility into the Riverside County mountainside, they cut through and destroyed the water courses that gave Gilman Hot Springs its name. Despite that, I am told that the then owner of the Gilman desert resort continued to offer "hot springs" from concealed hot water heaters! After that little fraud ran its course, the declining property was purchased by Hubbard's agents using a dummy front company. Now David Miscavige and the Scientology enterprise effectively control the City of Hemet and Riverside County politics, courts and government. Not quite yet.

61. The Base Manager, former Captain Ken Hoden who is now on the R.P.F., was supposed to secure a permanent solution to the periodic problem of pickets and protests outside Gold Base bringing all "production" inside Gold Base to an absolute standstill. For example, in the year 2000 Keith Henson solo-picketed (for the most part) outside Gold Base every day from mid-May to mid- September. Consequently, just one man and his picket sign halted all "production" at Gold Base, the location of which is a secret to Scientologists but easily viewed on Google earth. See my separate summary: <http://tinyurl.com/5rcg3d> , Sections L & M.

62. Ken Hoden and four other Scientology Sea Org members went into perjury overdrive and manifest public corruption to secure a "misdemeanor terrorism" and "interfering with a religion" arrest and conviction against Keith Henson. During the course of Mr. Henson's solitary picketing outside Gold Base there had been Internet chatter about "a Tom Cruise missile attack." Twelve hundred Sea Organization members at the Base (now down to 400) were "processed" by Scientology propaganda into being so terrified of one man and his picket sign that highly expensive giant law firms Williams

& Connolly and Paul, Hastings, Janofsky & Walker, along with Scientology's national co-ordinating attorney Elliot Abelson (formerly a mafia family attorney), were brought into small town Hemet, CA, from Washington D.C. and New York; Riverside County law enforcement and judicial officers were corrupted and Keith Henson went to the Riverside County Jail for six months. Amazingly, Elliot Abelson and Samuel D. Rosen openly supervised and assisted the Riverside County Deputy District Attorney Robert Schwartz who resigned and left the state soon after the highly "irregular" trial was over. See <http://tinyurl.com/dcox> and <http://tinyurl.com/ytkqb5>

63. Apparently David Miscavige decided that if California State Highway 79 were to be moved from its present route and diverted down the highway beyond the river bed, then the old State Highway could be closed off and closed down, and 'poof,' the protest and picketing threat to the mentally-manipulated/coercively indoctrinated "Gold Base" staffers would be permanently solved. The church would not need expenses like eight private investigators parked near then 81 year old Ida Camburn's home, so they could harass her and her elderly neighbors in the retirement mobile home park and cause them to stop providing food and shelter to Keith Henson and other picketers, myself included. See <http://tinyurl.com/6cc2mm>. At the time I was also doing my own solo pickets at the Gold Base, L. Ron Hubbard Way and 6331 Hollywood Boulevard. Among other things, I found it very therapeutic in the circumstances that the Scientology enterprise had successfully employed against me. Scientology's public corruption had "utterly destroyed" my life leaving me little else to do but picket the cult! See <http://tinyurl.com/5nffc6> or <http://tinyurl.com/5whht8>

64. Meanwhile, Base Manager Rev. Ken Hoden had failed to adequately "handle" the public service administrators who had decided that the Church of Scientology would not get whatever it wanted on this issue. State Highway 79 would continue its gentle scenic curve through the middle of Scientology's "Gold Base." Consequently, in another of his rages, David Miscavige "busted" Ken Hoden on to the Rehabilitation Project Force (R.P.F.), Scientology's chain of Soviet style gulags: hard labor, re-education and confinement quarters located in Los Angeles, CA, Clearwater, FL, East Grinstead in England and Copenhagen, Denmark. Scientology claims that the R.P.F. is voluntary and one does sign a waiver and consent, but in circumstances that are highly coercive.

Google: “rehabilitation project force” <http://tinyurl.com/6ae68x> . The R.P.F. has its own separate punishment gulag, the R.P.F.’s R.P.F. It comes complete with a Master-at-Arms and a Boson to keep every one in line and intimidated. Those on the R.P.F. generally wear black-arm bands, run everywhere, are not permitted to talk on post, do menial work, are not allowed off-Base, liberty (“libs”), etc. Marty Rathbun, who worked with David Miscavige on then-I.R.S. Commissioner Goldberg, was last known to “those in the know,” to be on the R.P.F. at the furniture manufacturing building (“the joinery”). “Aren’t you Marty Rathbun? You’re the Inspector General of RTC [“Religious Technology Center”], whispered one R.P.F.’er. “Not any longer. Now I’m just another shit head.” Marty Rathbun witnessed what went down in 1991, between David Miscavige and then I.R.S. Commissioner Fred Goldberg (now a tax partner at the Skadden Arps law firm in Washington, DC)). Marty Rathbun is now feared dead. Another Scientology cancer-related death? However, it now appears he could be alive. The Federal Government should have him in the witness protection program! Interestingly, the Texas Republican Party is now calling for the revocation of the ill-gotten Church of Scientology tax-exempt status. <http://tinyurl.com/6xaubj>

65. After David Miscavige angrily ordered Ken Hoden to the R.P.F., Ken Hoden was driven from Gilman Hot Springs, CA to PAC Base. PAC Base is the Scientology enterprise’s Pacific Area Command and it is located at L. Ron Hubbard Way in the middle of Hollywood in Los Angeles, CA. L. Ron Hubbard Way bisects the Scientology enterprises “Big Blue” complex of buildings that were once the Cedars of Lebanon hospital buildings. I am told that there are old hospital tunnels under the street and many hundreds of health, fire and safety building violations. These include over-crowding in the rooms. For example, Berthing or dormitory rooms for four hold six, eight and twelve people. However, when warning of a fire department inspection comes then some staffers will avoid sleep for days or sleep at their desks. Other staffers will remove the excess bunks and return the rooms to building code compliance. After the Fire Department departs the over-crowding violations are immediately replaced and all staffers can have their own bunk again. The R.P.F. and the R.P.F.’s R.P.F. in Hollywood, CA is said to be in the old part of Big Blue and on the second floor of the wing facing on to Catalina Street at the junction of Fountain Avenue. Apparently there are over 175 Scientology Sea

Organizations confined on the R.P.F. there. Some have been confined there for up to seven years (of unlawful imprisonment). Local, State and Federal Governments just ignore the resulting outrageous criminal, civil and human rights breaches.

66. For a horrifying overview of what the Federal Government is overlooking in the United States today click on <http://tinyurl.com/3oklwx> . On the other hand, there are many who believe that the U.S. Government is using the Church of Scientology in its own remote viewing and other M.K. Ultra type projects. Whatever the truth may be, “something is rotten in the state of Denmark.” Shakespeare, Hamlet, Act 1, Scene 4.

SCIENTOLOGY’S STATE SANCTIONED PYSCHO-TERROR COSTS THE STATE

67. Beyond the multi-billion dollar fraud of the 1991-1993 “secret” Scientology tax deal, and the resulting property tax and other on-going revenue losses, the true fiscal cost to the state of all this Church of Scientology state sanctioned psycho-terrorism becomes evident when the following is considered. Wealthy celebrities and business executives, along with W.I.S.E. business licensees of Scientology technology, make tax-exempt fixed donations to the International Association of Scientologists (I.A.S.) U.S. Members Trust to “utterly destroy” the lives, livelihoods and futures of any Americans who dare expose or criticize Church of Scientology human rights abuses, civil rights violations and criminal conduct, causing some long-term victims to suffer complex post-traumatic stress disorder (PTSD) to the further cost of the state and community (Gerry Armstrong and Lawrence Wollersheim are just two examples of the consequences of being subjected to years of Scientology state sanctioned and tax-exempt psycho-terrorism).

68. In addition, the U.S. immigration laws are being abused by the Church of Scientology bringing in religious volunteers who often change their names and totally disappear. Indeed, a German national is working on a long-expired visa for the Church of Scientology, most recently at the O.S.A. management building at 6331 Hollywood Boulevard, Los Angeles, CA. Many of these “religious volunteers” are earning \$46.20 per week. They sign contracts to serve the Church of Scientology for at least one BILLION years and they are supposed to receive free Scientology spiritual services. However, if a Sea Organization staffer/religious volunteer decides to leave the enterprise the departing staffer is, among other despicable things, required to repay the cost of all such free Scientology services. This is called a “free-loader debt bill” and it can total over

**COMMUNICATIONS
REGISTERED MAIL**

No org may accept any registered mail.

1. Long experience shows it comes only from psychos and governments.
2. It is a lot of trouble to obtain from the post office.

So just reject it.

There's no worry it may contain writs. It is just sent by nuts.

PHONE CALLS

Phones are psycho. They have no memory.

Overseas phone calls are often incomprehensible and start mysteries.

One often has to hang about for 6 or 8 hours in a mystery trying to connect with a call coming in.

CABLE or TELEX is *far* better. Use it.

All overseas phone calls are turned down by orgs.

Interorg phone calls even on one continent must be discouraged.

Use telexes and cables. Then we can find out what happened.
